#### **Dissemination Seminar Regarding PDHS survey, Ayub medical College (AMC), Abbottabad**

On 1<sup>st</sup> August 2009 Pakistan National Forum on Women's Health (PNFWH) in collaboration with TACMIL Health Project, organized a seminar regarding dissemination of information from Pakistan Demographic and Health Survey (PDHS) at Ayub Medical College Abbottabad. Around 200 participants including medical students, midwives, nurses, and doctors from different faculties of this college attended the seminar

Principle of AMC College, welcomed the participants. He shared that awareness about millennium development goals (MDG) has started in the medical community and it will be a very useful and productive activity.

Different faculty members gave presentations on the key findings of PDHS. They informed the participants about condition of maternal and child health, fertility rate and child and infant mortality rate. All the topics were presented in detail, statistics and reasons behind these findings were also shared with the audience.

In the end faculty members encouraged all their medical team including students, doctors, nurses and midwives to work together to achieve Millennium Development Goals (MDGs) 4 and 5 i-e “Reduce Child Mortality” and “Improve Maternal Health”.
